

## Event Outcome Report

### Summary of Events (Month-wise)

S.No.	*Type of Event		Name of Event (Latest first)	Date (from-to) (YYYY/ MM/DD)	Duration (days)	Pg. No. (from-to)
	Category	Metric No.				
1	Workshop		Cyber Security Essentials	2025/11/15	01	

\* *Type of Events*- Please categorize as per the applicable NAAC AQAR Metric No. (AQAR manual attached for reference)

*Category* would also include Conferences, Seminars, FDP, MDP, SDP, Guest Lectures, Webinars, Industrial Visits, and any other events, with their respective metric no.

## Event Outcome Report

1. **Topic/ Title of Event:** Workshop on Cyber Security Essentials

2. **Type of Event:** (*Annex* the brochure/ information manual) (tick  the appropriate box)

Conference	<input type="checkbox"/>	Seminar	<input type="checkbox"/>	FDP	<input type="checkbox"/>	SDP	<input type="checkbox"/>	Others, Specify	<input checked="" type="checkbox"/>
Guest Lecture	<input type="checkbox"/>	Webinar	<input type="checkbox"/>	MDP	<input type="checkbox"/>	Industrial Visit	<input type="checkbox"/>		

Others, Specify: Workshop

3. **Date/ Duration of Event Date:** (YYYY/ MM/DD) to (YYYY/ MM/DD): 2025/11/15 01 days

4. **Mode** (tick ):

Online	<input type="checkbox"/>	Offline	<input checked="" type="checkbox"/>	Blended	<input type="checkbox"/>
--------	--------------------------	---------	-------------------------------------	---------	--------------------------

5. **Collaboration, if any.**

Name of Organisation	SIU	Outside SIU
Sponsorship, if any	In collaboration with DSCI, SITH, SITH IEEE, AESS, IEEE Education society, IEEE ComSoc, IEEE India Council, IEEE VTS, IEEE Computer Society, IEEE Signal Processing Society, IEEE TEMS, IEEE MTT-S, IEEE Electronics Packaging Society, IEEE PRO COMM, IEEE Students, IEEE IES, IEEE CAS, IEEE COMSOC STEM, IEEE Foundation, IEEE Collabratec, IEEE Puzzlers	

6. **Objective of Event:**

- a. To provide students with a comprehensive understanding of the fundamental principles of cyber security.
- b. Highlight essential practices such as strong password management, multi-factor authentication, secure network configurations, and the importance of regular software updates.
- c. Discuss critical topics including data privacy, ethical hacking, incident response, and the role of cyber security policies in ensuring organizational resilience.

7. **Event contributing to SDGs (Global/ National/ Regional/ Local requirement). Yes/ No**

*If Yes, Specify the SDG No. and event contribution in 50 words max.*

*No*

8. **Event usefulness leading to - Employability/ Entrepreneurship/ Skill Development/ IPR/ Innovation/ Professional Ethics/ Gender/ Environment etc. Yes/ No**

**Yes**  
This workshop paves the way for students to understand the importance of cyber security and encourages them to inculcate ethical use of technology from the initial stages of their career.

9. **Name of Faculty Coordinators:** Mr. SAI PRASHANTH MALLELLU Advisor IEEE SIT Hyderabad Student Branch

10. **Resource Persons:** *Provide brief profile of resource person(s) in Brochure/ Information Manual*

S.No.	Name and Designation	Organization	Contact (Email & Ph. No.)
1	Dr. Sai Krishna	Senior Cyber Security Consultant at the Cybersecurity Centre of	

		Excellence (CoE), Telangana	
--	--	--------------------------------	--

### 11. Total Number of Participants:

Students	Faculty	Staff	Total Participants

a. **Student Attendance** (*Annex attendance details in the below-given format*)

S.No.	Name of Student	PRN	Program & Sem	Signature (Yes/No) in case of online)

b. **Faculty/ Staff Attendance** (*Annex attendance details in the below-given format*)

S.No.	Name Faculty/ Staff	Department	Signature (Yes/No) in case of online)

### 12. Programme Schedule (Minute to Minute)

### 13. Description of Event (max. 250 words)

The session provided students with a comprehensive understanding of the fundamental principles of cyber security, emphasizing the growing importance of safeguarding digital assets in today's interconnected world. Dr. Sai Krishna began by outlining the current threat landscape, explaining how cyber attacks have evolved from simple breaches to sophisticated, multi-layered exploits targeting individuals, organizations, and governments. He highlighted essential practices such as strong password management, multi-factor authentication, secure network configurations, and the importance of regular software updates. The workshop also covered critical topics including data privacy, ethical hacking, incident response, and the role of cyber security policies in ensuring organizational resilience.

Through real-world case studies and interactive discussions, participants gained practical insights into how vulnerabilities are exploited and how proactive defense mechanisms can mitigate risks. Dr. Sai Krishna stressed the need for a security-first mind set, encouraging students to view cyber security not just as a technical requirement but as a shared responsibility in the digital age. The workshop concluded with an engaging Q&A session, where students explored career opportunities in cyber security, the impact of emerging technologies like IoT and 5G on security frameworks, and the importance of continuous learning in this rapidly evolving field. Overall, the workshop empowered attendees with both theoretical knowledge and practical strategies, inspiring them to adopt safe digital practices and consider cyber security as a vital career path.

### 14. Feedback Analysis (preferably create a graphical representation):

Tick (✓) to Scale on 1-10 (1 – unsatisfactory and 10 – exceptional)

	1	2	3	4	5	6	7	8	9	10
<b>Overall Satisfaction</b>										✓
<b>Usefulness of Event</b>										✓
<b>Resource Persons</b>										✓
<b>Quality of Content</b>										✓
<b>Ease in attending</b> (Offline/ Online/ Blended)									✓	
<b>Support at Event</b> (Organizing team feedback)										✓
<b>Accommodation</b> (if availed)										
<b>Handouts/ Study Material</b> (if provided)										

Suggestions, if any \_\_\_\_\_

\_\_\_\_\_

**15. Details of Achieved Outcomes** (Whether the objectives were achieved and an inclusive environment was created?) (max 50 words)

By the end of this workshop students were able to understand different cyber security threats and the possible ways to overcome them. The resource person illustrated the same with the help of real world case studies, encouraged interactive discussions with the participants and stressed upon the need of security first mind set which was the prime objective of this workshop.

**16. Photographs/ Press Note/ Media Coverage:**

*Note:* Max 2-4 geotagged-pics (please follow geo tagging guidelines issued by SIU)

<b>Signature &amp; Name</b> (QIC Coordinator)	<b>Signature, Name &amp; Seal</b> (Director of Institute)
	 <b>Director</b> <b>Symbiosis Institute of Technology</b> <b>Hyderabad-509 217.</b>
