14. Description of Event (max. 250 words)

The Agentic AI Faculty Development Program was organized as part of the Pre-Summit activities of the India AI Impact Summit 2026 at Symbiosis Institute of Technology, Hyderabad. The fully sponsored program aimed to equip faculty members with advanced knowledge and practical insights into Agentic AI, focusing on its academic, research, and industry applications.

The three-day program featured expert sessions, interactive discussions, and hands-on demonstrations led by experienced professionals from industry and academia. Topics covered included the fundamentals of Agentic AI, AI agent architectures, real-world use cases, integration of AI agents in teaching and research, ethical and responsible AI practices, and innovation-driven applications. The sessions emphasized experiential learning, enabling participants to explore AI tools and methodologies relevant to contemporary educational and industrial challenges. The program also highlighted emerging trends in AI, intellectual property considerations, and opportunities for entrepreneurship and interdisciplinary collaboration. Active participation, question-and-answer sessions, and peer interactions enriched the learning experience and encouraged knowledge exchange.

Overall, the Faculty Development Program successfully enhanced participants' technical competencies, research outlook, and readiness to adopt AI-driven approaches in academia. The event contributed to capacity building, innovation, and responsible AI adoption, aligning with national and global initiatives in artificial intelligence and higher education.
