**12. Description of Event** (max. 250 words)

The Pitch Deck event was organized to provide students with a platform to present innovative startup ideas and develop their entrepreneurial skills. The event began at **10:00 AM** with a

welcome address and a brief introduction to the objectives of the event. Participants were then informed about the rules, presentation format, and judging criteria.

During the main session, participants presented their startup ideas through structured pitch decks, explaining the problem statement, proposed solution, target market, revenue model, and potential impact. Each participant was given an opportunity to clearly communicate their idea and demonstrate the feasibility and innovation behind their concept.

A panel of judges carefully evaluated the presentations based on creativity, practicality, clarity of the pitch, and the potential of the idea to solve real-world problems. After the presentations, the judges interacted with the participants, provided constructive feedback, and shared valuable insights on improving business models and presentation skills.

The event concluded with the announcement of results and closing remarks at **12:00 PM**. Overall, the Pitch Deck event successfully encouraged students to think creatively, explore entrepreneurial opportunities, and enhance their presentation and problem-solving skills. It also helped create an environment that supports innovation, collaboration, and startup culture among students.
